Congratulations!

What is 'right of the month'?

We have a right of the month because we want everyone to learn about their rights and become aware of them. This year we have linked our right of the month to global goals so that everyone can see the difference they make to the world. Keep an eye on the school website, Facebook, Schoop or X (Twitter) to find out what our right of the month is.

November Right of the month

- ✓ Article 15 – A right to set up and join clubs or groups.
- ✓ Article 19 – A right to be safe.

Global Goal

- ✓ Global Goal 3 Good health and well-being
